# Aruba

In every sector from transport to retail, and in every environment from hotels and hospitals to schools and workplaces, Aruba is designed to meet all your project needs. Aruba is 100% recyclable to meet your sustainability targets.

zentia

Key Features

- Improved aesthetics with discreet perforations, a smoother finish and a class-leading whiteness
- Enhanced acoustical absorption performance of 0.60 α_w for better acoustic comfort
- Fully painted, reinforced edges for a more robust tile and greater durability
- Mix and match modules for increased flexibility and a more complete project solution
- Easy to handle and re-engineered for a better, easier fit
- Ideal for every space
