

Baffles

Baffles is a range of high performance acoustical baffles, available in two standard dimensions, with integrated suspension anchor factory fitted for easy alignment and installation.

Key Features

- Modern linear appearance
- Great acoustic performance: Reduce noise levels, increase speech intelligibility and reduce reverberation time in the space
- Integrated suspension anchor factory fitted for easy alignment and installation
- Install individually or in groups
- High light reflectance for energy savings
- Ideal for schools, offices, leisure centres and transport hubs
